## Year End 2016

It is hard to believe but the 6LCA class 2016 has almost finished their time with us in MACC. The next few weeks are going to be very busy as they prepare to graduate and to sit their Leaving Certificate exams in June. At this stage most students have been accepted on a PLC course for September 2016 and I wish them well in the future. I would like to draw your attention to a number of important dates over the coming weeks. As an LCA class the girls still have a number of orals and practical exams to finish. These are detailed below:

<b>Friday 13th May</b>	Childcare Assignment Brief to be handed in	
<b>Monday 16th May</b>	English Orals and French Orals	
<b>Tuesday 17th May</b>	Irish Orals	
<b>Wednesday 18th May</b>	ICT Exam	10.00—12.00
<b>Wednesday 25th May</b>	Graduation Ceremony	1.30
<b>Wednesday 8th June</b>	Leaving Certificate begins. For dates see below.	

A date for the interview for their Childcare Assignment Brief will be given to students as soon as I get it. Students must wear full uniform for all orals, exams and interviews. It is essential that they are in school on time on these dates also.

## Leaving Cert. Exam Timetable

## Graduation

Our 6th year graduation ceremony takes place on Wednesday 25th May at 1.30.

The theme of our ceremony is “Dreams”

It is really important that everyone arrives on time and we would ask people to be in their seats by 1.15.

Tea and refreshments will be available after the ceremony. We hope you can stay to join us.

**If you have any outstanding Key Assignments or Absentee Notes do not forget to hand them in.**
