Account Safety

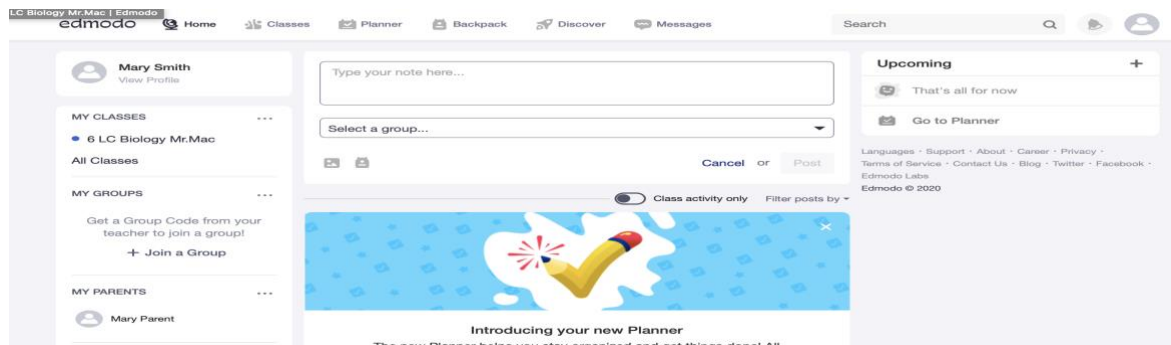

Provide your Parent's contact information so that we can notify them that you are using Edmodo. When you do, you will be able to unlock all Edmodo features.

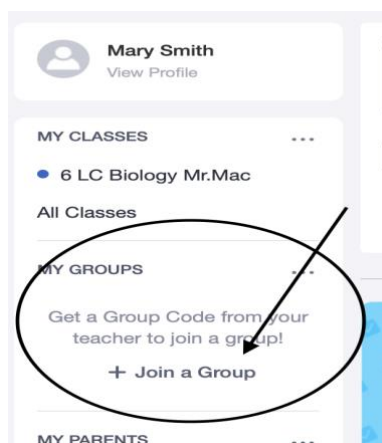

or

By clicking on "Notify", I confirm that I have permission to send this person text messages and emails.

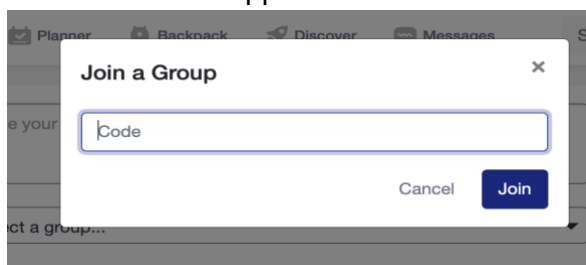

5. Enter your parents' details and are brought to the home screen it looks like this:

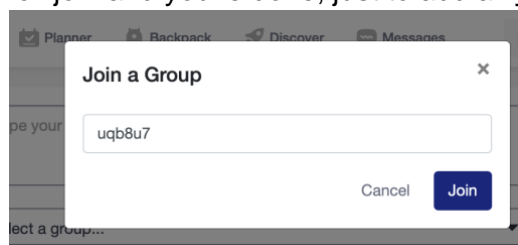

5. Now you can add your other classes, to do this go to my groups on the left-hand side and click join a group,

6. Once you do this this box should appear

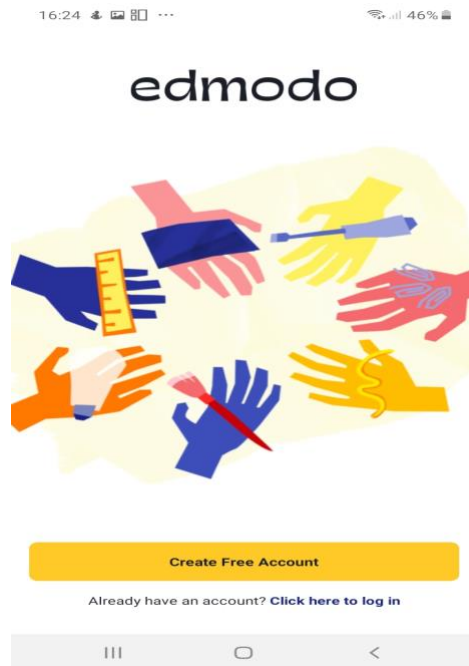

7. Enter your code and click join and you're done, just to add all your classes.

How to sign up as a student on the app:

1. Download the edmodo app from the app store or google play.

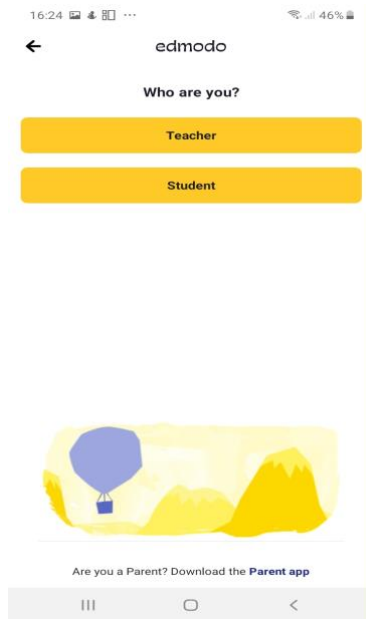

2. Once installed it will look like this, click create free account

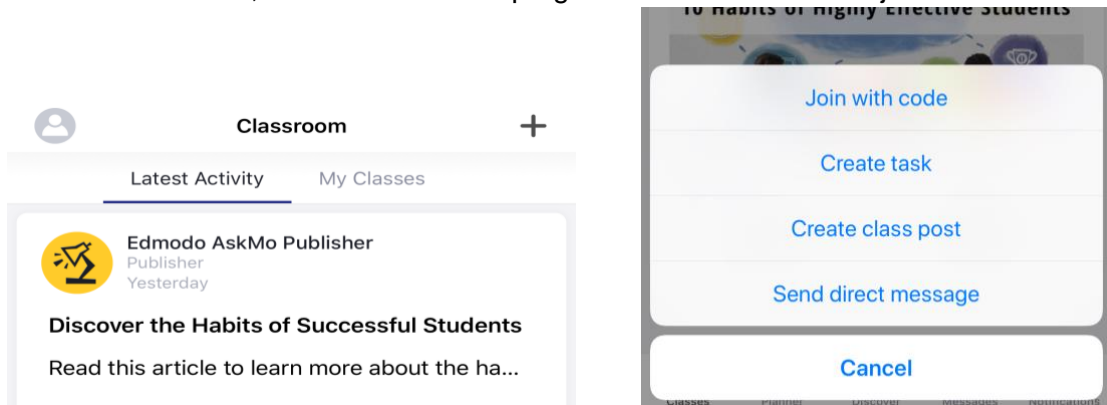

3. The next screen looks like this, insert one of your class codes, a username of your own making and a password. **You DO NOT need an email.**

A screenshot of the Edmodo sign-up screen. At the top, the time is 16:24 and the battery is at 46%. The word "edmodo" is centered at the top. Below the logo, it says "Sign Up For Edmodo". There are four input fields: "Class Code", "Username: 3+ characters", "Password: 6+ characters" (with an eye icon to toggle visibility), and "Email (optional)". Below the input fields is a large yellow button that says "Create Account". Below this button, there is a link that says "By signing up, you agree to our Terms of Service and Privacy Policy". At the bottom of the screen, there is a link that says "Already have an account? Click here to log in". The bottom of the screen shows a standard Android navigation bar with three icons: a home button, a square app drawer button, and a back arrow button.

4. Press create account and on the next screen select student, you are now signed up and can add your other classes

5. To add classes, click the + at the top right-hand side and select join with code.

6. Insert your code and click OK you have now joined that class.
