Margaret Aylward CC Thatch Road Whitehall Dublin 9

## Year End 2016

The 5LCA class have come to the end of a busy year and I would just like to draw your attention to a few matters from this year and highlight some important dates for next year.

The class completed **three tasks** in 5th year and they now realize the level of work that is required. In the first session of 6th year they will have three more tasks to complete. These tasks are:

- Practical Achievement Task
- Contemporary Issues Task
- ICT Task.

We will be talking to the girls before year end about these tasks and would encourage them to return in September ready to start the work. 6th year is another very busy year and things move quickly so being prepared can help reduce stress levels for all involved.

## Results Session 1

I have enclosed the results for Session 1 with this newsletter. If you have any queries on these results I can be contacted in the school at 01-8375712.

There are **62 credits** for Key Assignments available to students over the two years of LCA and these are very much in their own control. To get credits for their modules students must:

1. Hand up all Key Assignments
2. Have a 90% attendance record for the module

Attendance is really important on the LCA Programme. Please make sure that your daughter attends school every day. If she is absent a cert or note explaining her absence must be given when she returns to school. It is also important to remember that too many absences can affect credit awards and Leaving Certificate results. Being on time for school and class is also very important for students to make good progress.

## Summer Exams

Summer exams for 5th years will begin on Monday 30th May. These exams are a great preparation for the girls and it is important they come in for every exam. Full uniform is to be worn during the exams.

### Timetable—Room 21

#### Mon 30th May

Irish or extra English	9.30—10.30
Maths	11.00—1.00

#### Tues 31st May
